

## **BABY DEDICATION POLICY**

### WHY DO WE DO BABY/CHILD DEDICATIONS AT CEDARVIEW COMMUNITY CHURCH?

The dedication of a child is a voluntary act in which believing parents publicly present their child and themselves to the Lord as an outward expression of their commitment to God regarding the raising of this child. The parent(s) are essentially committing themselves to raising this child, with God's help, in a way that demonstrates an example of Godliness, disciplining according to God's ways and prayerfully training that child in God's teachings until that child can make a decision on his or her own to follow God. At the time of dedication, the church family at Cedarview is also committing themselves to participate in the raising of this child through our children and youth programs as well as to encourage this child in such a way as to be a positive witness and influence so that the child can grow up to one day accept Christ and live for Him. Baby/Child Dedication is not infant baptism and does not impart salvation in any way.

At Cedarview, we dedicate, rather than baptize, children. We believe that baptism is an outward expression of an inward reality that has already taken place. Just like a wedding ceremony is a public proclamation of the couple's commitment to each other and to their family and friends, so baptism is an outward declaration of one's desire to follow Jesus. According to the Bible, the one requirement for baptism is belief in Christ. We believe that children are wonderful but they are not yet able to make that decision for themselves. Therefore, we do not baptize children until they are old enough to understand and believe. Until that time, we dedicate these wonderful gifts back to the Lord and ask for His blessing.

### PARENTAL PROMISE

Because the child is a gift from God, the parents promise, as God's stewards, to bring up the child entrusted to them in the discipline and instruction of the Lord (Col 3:21). In dedicating one's child in the presence of fellow believers, parents are publicly dedicating themselves to the faithful fulfillment of their parental responsibilities (Deut. 6:6-7; Proverbs 22:6) and are acknowledging their need of prayerful support and encouragement of those fellow believers (Eph 6: 18; Hebrew 10:24-25).

The dedication is more than a service - it is a commitment of parents to honour the will and the Word of God. In Jesus Christ's example in Luke 2:22 it says, "When the time of their purification according to the Law of Moses had been completed, Joseph and Mary took him to Jerusalem to present him to the Lord."

## CHURCH PROMISE

As a church we recognize that this child is a gift from God also and that the parents presenting the child need support and encouragement in their role as parents. We at Cedarview commit to providing programs and activities that will help parents guide their children to a saving knowledge of Jesus Christ.
